BANGKOK LUXURIOUS EXPERIENCE

Day 2 (B/-/-)

Bangkok

Sprawled along the banks of the Chao Phraya River, Bangkok —“City of Angels” — is one of Asia’s most compelling Metropolises. Our canal tour by long tail boat, along with a visit to the Grand Palace and Wat Phra Kaew, are your perfect introduction to this exciting and hospitable city.

Board long tail boats for your cruise through the Klong (*canals*) of Bangkok. Here you will see the daily life of the Thai people along the canals. We will be stopping by a huge compound, a Thai cultural wonder, which was built in 1782 and includes more than 100 brilliantly colored buildings. Many of the houses are capped with glittering, golden roofs and soaring pagodas.

Home to the Thai Royal Family for 150 years, the magnificent Grand Palace houses countless treasures, including dazzling mosaics and impressive guardian statues. It remains the country’s seat of power and the spiritual heart for Thai people. Located in a corner of the Grand Palace compound, Wat Phra Kaew is considered by Thais to be the country’s most important Buddhist temple. It houses the exquisite small statue known as the Emerald Buddha, carved from a single block of jade. Modest dress is required here and those who enter this holy place are sure to be moved by the experience.

We will return to our hotel by long tail boat and relax. Later, enjoy a 80-minute Body Massage (Thai / Swedish / Aroma Massage).
